

THE GENOCIDE OF THE GERMANS IN POLAND – 1939

ABSTRACT

This paper shows how the genocide of the Germans in Poland such as the Danzig and Broomberg Bloody Sunday played a role in causing the Second World War. It critically analyzes this dark episode of history prior to the Holocaust that was censored by many historians. It debates on the reasons that pushed Adolf Hitler (of Jewish descent) to trigger the Second World War by invading Poland. It also shows that Winston Churchill (of Jewish descent) was as dangerous as Adolf Hitler and could have prevented the Second World War and eventually the Holocaust. This paper also delves into the historical hypothesis: 'Could Adolf Hitler have been different?'

'Hitler doesn't want war, but he will be forced into it, soon. The last word has, as in 1914, England.' - Emil Ludwig, Zionist writer in May 1934.

INTRODUCTION

The Danzig and Broomberg Bloody Sunday massacres of 1939, a few months before Germany invaded Poland on September 1, 1939, are among the most tragic events in human history. Of course, we don't talk about it anymore. (POLAND'S CENSORED HOLOCAUST, 2010). Moreover, very few historians dare to present the truth as it is concerning these barbaric and atrocious crimes against humanity. However, it was from there that everything started and everything exploded. One could even qualify this genocide in Poland where 58,000 Germans (of the Volksgenossen ethnicity) were massacred without mercy, as a major incident which caused the Second World War in 1939 and then the Holocaust in 1941 where more than 5,000,000 Jews were killed and exterminated by Adolf Hitler.

Long before this tragedy, the persecution of the German community (of the Volksgenossen ethnic group) in Poland was already underway. In fact, the genocide of the Germans in Poland was only a straw that broke the camel's back. In retaliation, Germany launched an attack on September 3, 1939 on Poland and on September 19, 1939, Adolf Hitler made the following speech:

'...Danzig was torn from us! Poland annexed the Corridor. The German minorities are being persecuted in the vilest manner imaginable. In the years 1919 and 1920, over one million men of German blood were forced to leave their homeland. As always, I sought to bring about a change by peaceful means, by offering proposals...to remedy this situation which meanwhile had become unbearable...Polish units stand in contrast to the dirtiest deeds perhaps committed throughout the past centuries. As a soldier in the World War who fought only in the West...I never had the opportunity to witness such deeds...the thousands of slaughtered Volksgenossen...the brutishly butchered women, girls and children...the countless German

soldiers and officers who fell wounded...into the hands of the enemy and who were massacred, bestially mutilated with their eyes gouged out. There were moments when one had to ask oneself under these circumstances...should one exercise restraint on oneself? ...I have not heard whether any of the democratic statesmen found it worth their while to protest against these acts of barbarity...Tens of thousands were abducted, abused and murdered in a most gruesome manner. Sadistic beasts let themselves go and allowed their perverted instincts to run free. And the pious democratic world stood by without batting an eyelid...Did the Poles truly believe that, in the long run...the German nation would put up with this abuse from such a ludicrous state !?' (HITLER EXPLAINS WHY HE DECLARED WAR ON POLAND; Adolf Hitler Speech – Bromberg Massacres – 1939).

THE GUILTY ONES

The Danzig massacre was perpetrated in Poland by the Polish Jews and the Bolshevik Soviets who were very confident of a great victory of Poland against Germany in the event of war. In a single day, numerous Polish Jews under the protection of the army of Poland, attacked the village of Broomberg and viciously massacred 5,500 Germans. It became known as Broomberg Bloody Sunday and they too were very confident of a victory of Poland. (POLAND'S CENSORED HOLOCAUST, 2010).

Danzig and Broomberg Bloody Sunday were only the first step in a macabre machination behind which lurked fearsome masterminds. Nevertheless, these crimes could have been avoided, if the League of Nations had taken Adolf Hitler's grievances seriously. Yet Germany had unsuccessfully protested against the persecution of Germans in Poland by writing to the League of Nations on several occasions. (POLAND'S CENSORED HOLOCAUST, 2010).

RACIAL HATRED

The genocide of the Germans in Poland was also the result of a long vile propaganda campaign based on Zionist racism on an international level against Germany and the Germans between 1920 and 1939. Other motives of this campaign were very shocking and revolting as these following examples show:

- : 'Judea Declares War on Germany!' – Daily Express headline, March 24, 1933.
- : 'The Israeli people around the world declare economic and financial war against Germany. Fourteen million Jews stand together as one man, to declare war against Germany. The Jewish wholesaler will forsake his firm, the banker his stock exchange, the merchant his commerce and the pauper his pitiful shed in order to join together in a holy war against Hitler's people.' – Daily Express, March 24, 1933.
- : 'We Jews are going to bring a war on Germany.' – David A. Brown, National Chairman, United Jewish Campaign, 1934 (quoted in « I Testify Against The Jews » by Robert Edward Edmondson, page 188 and « The Jewish War of Survival » by Arnold Leese, page 52).
- : 'Nos intérêts nécessitent la destruction définitive de l'Allemagne, le peuple Allemand est un danger pour nous, nous ne pouvons absolument pas autoriser l'Allemagne à prendre de l'importance parmi les gouvernements actuels.' – Meneur sioniste Wladimir Jabotinsky, Janvier 1934 dans le journal Juif « Tatscha Retsch ».
- : 'There is only one power which really counts. The power of political pressure. We Jews are the most powerful people on earth, because we have this power, and we know how to apply it.' – Vladimir Jabotinsky, Jewish Daily Bulletin, July 27, 1935.

- : ‘Before the end of the year, an economic bloc of England, Russia, France and the U.S. A will be formed to bring the German and Italian economic systems to their knees.’ – Paul Dreyfus, « La Vie de Tanger » May 15, 1938.
- : ‘On the 3rd of June, 1938, the American Hebrew boasted that they had Jews in the foremost positions of influence in Britain, Russia and France, and that these « three sons of Israel will be sending the Nazi dictator to hell.’ – Joseph Trimble, the American Hebrew.
- : ‘The war now proposed is for the purpose of establishing Jewish hegemony throughout the world.’ – Brigadier General George Van Horn Mosely, The New York Tribune, March 29, 1939.
- : ‘The Jews, taken collectively, view this war as a holy war.’ – The Daily Herald, No. 7450, 1939, quoted in « Reichstagsbrand, Aufklärung einer historischen Legende, » by U. Backes, K.H. JanBen, E. Jesse, H. Kohler, H. Mommsen, E Tobias.
- : ‘The Second World War is being fought for the defense of the fundamentals of Judaism.’- Rabbi Felix Mendlesohn, Chicago Sentinel, October 8, 1942.

IRONY AND HYPOCRISY

The German invasion of Poland in 1939 marked the start of the Second World War. However, it was just an absurd coincidence tinged with irony. It is difficult to understand how Adolf Hitler, who was neither Aryan nor German, was going to take revenge for the massacres of the Germans in Poland. Adolf Hitler was a Jew (New DNA Evidence Shows Hitler was Jewish, 2014; Hitler Had Jewish DNA, 2013). We are perplexed by this damning fact! In his book 'Adolf Hitler: Founder of Israel', Hennecke Kardel cites the book 'Before Hitler Came' written by a German Jew known as Dietrich Bronder which claims that not only Adolf Hitler but all of his associates were Jews throughout these following excerpts:

"Of Jewish descent, or being related to Jewish families were: the Leader and Reichschancellor Adolf Hitler; his representatives the Reichsminister Rudolf Hess; the Reichsmarshall Hermann Goering; the Reichsleader of the NSDAP Gregor Strasser, Dr. Josef Goebbels, Alfred Rosenberg, Hans Frank, Heinrich Himmler; the Reichsminister von Ribbentrop (who pledged close friendship with the famous Zionist Chaim Weizmann, the first head of the State of Israel who died in 1952); von Keudell; field commanders Globocnik (the Jewish destructor); Jordan and Wilhelm Hube; the great SS-Leaders Reinhard Heydrich, Erich von dem Bach- Zelewski and von Keudell II, who also were active in the destruction of Jews. Next came Hitler's bankers and before 1933 supporters: Ritter von Stauss (Vice- president of the NS-Parliament); von Stein; the General Field Marshall and Secretary of State Milch; the Under-Secretary of State Gauss; the physicist and old Party members Philipp von Lenhard and Abraham Esau; the very old party-member Hanffstaengel, NSDAP's newspaper Chief of Foreign Department (later on an advisor to President D.E.Roosevelt) as well as professor Haushofer."

Adolf Hitler exterminated Jews in Germany during the Holocaust between 1941 and 1945. A clear view of the Jewish origin of this German dictator is just as important as his heinous deeds. Was he a hypocrite who did not like Jews from other tribes or a person who had total loyalty to the Germans and Germany? Did he have a hidden agenda?

Historians had this to say about Adolf Hitler: ‘His motives were psychopathic and he was a madman bent on war.’ (POLAND’S CENSORED HOLOCAUST, 2010). In fact, this image does not quite correspond to reality.

Adolf Hitler did not want war and he had indeed confirmed this position through the following statement: 'It is untrue that I or anyone else in Germany wanted war in 1939. It was wanted and provoked solely by international statesmen either of Jewish origin or working for Jewish interests. Nor had I ever wished that after the appalling first World War, there would ever be a second one against either England or America.' (Adolf Hitler, 1945).

CONCLUSIONS

Winston Churchill, Franklin Roosevelt and Joseph Stalin who were all Jews, should have condemned Poland for the genocide of the Germans in 1939 and taken severe sanctions against all the culprits and murderers. Winston Churchill and the other politicians could also have negotiated with Adolf Hitler to defuse the tribal conflicts amongst the Jews and pacify the ethnic conflicts between the Jews and the Germans, in order to avoid the Second World War and possibly the Holocaust.

Unfortunately, these megalomaniac politicians wanted the Second World War at all costs. Besides, they also wanted the destruction of Germany. For example, Winston Churchill who was as dangerous as Adolf Hitler said: 'Germany is too strong. We must destroy it.' (Winston Churchill, Nov. 1936). Worse, such words of incredible gravity: 'Stop talking about peace conditions! Break Germany in pieces!' (The Daily Herald, No.7426, 9 December, 1939) ended all hope for peace in 1939.

So, on the basis of such incendiary facts, one could not have hoped for the best from these vexatious men who only wanted 'the establishment of Jewish hegemony' (Brigadier General George Van Horn Mosely, The New York Tribune, March 29, 1939) internationally through the Second World War.

Eventually, by forcing the Führer (Adolf Hitler) to unleash the legitimate response to the Germans' genocide in 1939, the Zionist Jews still had to realize that the Pyrrhic victory in the Second World War by the Allies at the expense of over 5,000,000 Jews in the Holocaust was nothing but a disaster, and that they had absolutely committed an unpardonable sin with regard to humanity!
